

# Let's make people safer

Since 1996, organizations and individuals across the country have joined the National Safety Council in observing National Safety Month® (NSM). Held each June, the campaign highlights important safety issues from the workplace to anyplace. Encourage participation by engaging with this year's weekly topics.

## 2026 weekly safety topics

Week 1 (June 1-6):

Week 2 (June 7-13):

Week 3 (June 14-20):

Week 4 (June 21-30):

# National Safety Month Participation Ideas

Add the NSM email signature image to all your June emails to show your participation and inspire others

Create a schedule for newsletters or blog posts based on the weekly NSM themes

Purchase prizes or hold a raffle for staff who engage with the NSM resources

Create a digital or in-person "Why I Work Safely" photo wall and ask staff to post photos of their loved ones on the wall

Choose a day in June to encourage your team to wear green and take a photo with the NSM [#GoGreenForSafety sign](#) – you can feature it on your social media channels

Hold a safety slogan competition or start meetings with a safety-related icebreaker

Hold an NSM Kickoff event like a breakfast, lunch and learn session, safety fair, etc.

Highlight a safety team member – or anyone who's made a safety impact – in a meeting or company communication in June

Host a [SafeAtWork Pledge](#) competition in June to see which department/location gets the most participants, using completed certificates as proof

Train your workers – check out available [training](#) options from NSC

Hold safety listening sessions with small groups of workers to uncover insights
